**PRINCIPAL’S REPORT**

**WELCOME**
Welcome to Term 4. This term is going to be a very busy one, with many fun filled activities, hard work and celebration of student achievements. It is a particularly exciting time for our Tiny Treasures who visit each Wednesday. Year 5 and 6 are very excited because they will be travelling to Melbourne and Ballarat on Monday 18.10.2013 for their three day excursion. We are looking forward to hearing their *excursion reports* upon their return.

**SUNSMART POLICY**
A reminder that our no hat, no play policy will be strictly enforced - commencing Monday 14.10.2013 (week 2, term 4). Students who do not comply will be dealt with under the procedures in our student welfare policy.

A reminder that both hats and sunglasses can be purchased from the uniform shop at school for $10.00.
SunSmiles Day
What a fantastic way to start the term. The children had so much fun meeting Dr Brushwell and his helpers. All the children that participated in the program were given a show bag with lots of helpful things to help maintain healthy teeth. There is a parent survey inside the bag that we ask to be returned as quickly as possible. All children returning their survey will receive two rainbow stickers which are highly sort after at this time of the year as we head close to our red level award day.
Thank you to everyone who participated in the day by bringing back their consent forms. It was a great response. I have put a link on our website with the video from prime news.

Operation Art
We had students attend Operation Art this week as a representation of our school and a celebration of their talent. We have had some great feedback from the students who attended.

Permission Notes
As this term is filled with exciting things for students to participate in you will receive permission notes for a variety of activities. Please remember to sign these and send them back to the teachers as soon as possible so your child will not miss out. It is very difficult for staff to chase up on the day of the excursion to ensure every child gets the benefit of the activity planned. There will be a return by date on the notes please adhere to these dates. Thank you

NAPLAN 2013- delayed release of student reports
The Australian Curriculum, Assessment and Reporting Authority (ACARA) has advised of a delay in the national distribution of NAPLAN student reports to schools. ACARA identified an error in the placement of the national average marker in the Year 5 and 7 NAPLAN student reports for Language Conventions. ACARA is devising a strategy to address the issue, which will delay the distribution of student reports to schools.
It is anticipated that the 2013 NAPLAN student reports will be delivered to schools across Australia from 8–11 October 2013, with distribution of the reports to parents to occur in the week Monday, 14 October to Friday, 18 October 2013.

LOST PROPERTY
We have a significant number of lost property at present, please come in and check to see if your child owns anything from the lost property box in the front office.

HUME SCHOOL BANKING - Please note that school banking will resume during the second week in Term 4 which is Tuesday 15 October.

PEER SUPPORT
Week 8
In this week’s final session of Living Positively the children will reflect on what they learned in Peer Support. They will remember to think optimistically, persevere and use positive self talk. The children will learn about a model - I laugh, I live, I love. This will help them to remember the activities they enjoy, their strengths and to show appreciation to others. Discuss with your child ways they can live positively.

This last Peer Support session is on Tuesday 15th Oct at 2.15am after recess and as usual there will be a party. Please can the boys bring something savoury and the girls something sweet, the Peer Support leaders will provide the drinks.
