## PRINCIPAL’S REPORT

### P & C ANNUAL GENERAL MEETING

The P & C Annual General Meeting will be held on Wednesday 19 November, 7.30pm. As with every year, the P & C are looking for people to assist them. If you are able to help out in any way please feel free to come along and have some fun with our vibrant group of volunteer parents. You may not think you have much to offer but many hands make light work and we are always looking for new ideas. Don’t forget to come along to the meetings and bring a friend. It’s always better with a buddy.

There will be room on the bus if you would like to travel with us. Please arrive at Glenroy Public School by 11am. Lunch will be provided. The accompanying teachers are Mrs Saunders and Miss Stephens.

What are the Riverina Regional Proud and Deadly Awards?
The awards are a partnership between the NSW Aboriginal Education Consultative Group (AECG Inc), Department of Education, Science & Training and the Department of Education and Training. The Awards are a celebration and recognition of the achievement and excellence of Aboriginal students from Kindergarten to Year 12 in Public Education in the Riverina.
It is an opportunity for parents, family and community members to celebrate the success of Aboriginal students in Public Education.

BIKE SAFETY – Please note change of date
On Monday 24 November Glenroy Public School will be holding a Bike Safety Awareness Day at school. Infants will be participating in the morning session and primary students after lunch. All students should be encouraged to bring their bikes, scooters, skateboards and MUST bring a helmet. There will be a designated class spot near the basketball court for these items.

All students will be participating in a variety of activities including a bike obstacle course, bike maintenance, bike safety check and how to correctly fit a helmet.

Some classes have been learning about Road Safety this term so this will be a great day for students to put some of the things they have learnt into practice and learn some new skills on bike safety.
