YEAR 6 T-SHIRTS
These have been ordered and we expect them in week 4. Please make payments to the front office, if you haven’t already done so. The cost is $30.
VOLUNTEERS NEEDED – “Reading for Life”

‘Volunteers don’t just do the work, they make it work’. (Carol Pettit 2012)
We are very fortunate to have another opportunity to train willing volunteers in a buddy reading program called ‘Reading for Life’. In term one this year we had seven wonderful people from our school community offer to be trained and they are currently working with students in our school to support their reading progress in a timetable that suits both them and the teachers. This kind of volunteer support is so important and much appreciated by the students and our school staff.

If you are interested in training as a volunteer please contact me at school at any time of the day. We plan to run the ‘Reading for Life’ training session in week four this term, the specific day still to be arranged. There are eights spots available.

PEER SUPPORT
During Peer Support this week the children will be looking at how to play in a friendly way in order to maintain friends and build positive relationships. Through various activities children will discover the importance of taking turns and having consistent rules throughout a game.
Help your child practise these skills by encouraging them to play games with siblings, family or friends.

CLASS NEWS - KL
We have some new friends joining us in KL for the rest of the year. Miss Linke has bought two new fish and the children love the new additions. After some careful brainstorming it was decided they would be called ‘Sharky’ and ‘Goldie’. The KL students wasted no time writing about their new pets.
Come in next Tuesday morning for Education week to see how clever the KL students are and look at their fantastic writing and drawings of Sharky and Goldie.
Miss Linke 😊

WHALE SHARKS
In 3/6H, some reading groups have been learning about Whale Sharks.
Did you know a Whale Shark is about the size of a double decker bus!
Whale Sharks can weigh up to 10 tonnes.
Almost as much as Mr Hall!
You can see in this picture, our class students are sitting in an area roughly about the same size of a Whale Shark.
As you can see in the picture, a Whale Shark could eat up Zac really easily. Luckily, the whale shark is harmless and would rather eat krill and plankton!

P & C NEWS
DEFINITELY YOUR LAST CHANCE
We will be announcing the winner of the Loose Change Challenge in next week’s newsletter.
CLOSING DATE FOR ALL LOOSE CHANGE IS 3.30PM, MONDAY 28 JULY.
I have my fingers crossed that KC will get over the line. They certainly have showed up everyone else. No-one has even reached half of their total. But beware, the sneaky hoarders may be just sitting on a gold mine.
Here are the totals as they stand this week.

DONATIONS FOR SOME CRAFT
Can you believe that Father’s Day is just around the corner? The P&C will be staging a couple of craft activities during lunchtime for children to make something for that special man in their lives. At the moment we are looking for donations of men’s shoes or boots and cuttings from succulents. If you can send donations into school we will really appreciate it. More information about the craft activity soon.

CANTEEN NEWS
Welcome back to Term 3.
Delicious tasting alternatives - Introducing *NEW* Blueberry and Raspberry Muffins: $1 large or 50c small
*NEW* Sunbeam Sultanas $1.00 a box, a great healthy alternative.
Our wraps have also been revamped into a healthier option they will now be wholegrain.
Mothers, fathers and carers are most welcome to come in for a ‘cuppa’ anytime and share your thoughts on our menu, or just pop in and say ‘Hi.’

Deb Beacroft
Canteen Manager

LOST PROPERTY
We have a large number of items in our lost property box. If your child has lost a jumper or jacket please send them to the front office to come and look for it.

Jeans for Genes
On Thursday 31st July, 2014 the SRC will be holding Jeans for Genes day. You are able to wear jeans on this day only if you bring loose change as a donation. The money we raise goes towards a great cause.

Jeans for Genes Day is held on the first Friday in August each year and continues to be a major fund-raiser of CMRI (Children’s Medical Research Institute). On this day, people are asked to wear their jeans and donate to support research at CMRI.
1 in 20 Australians are born with a birth defect or genetic disease.
Since the campaign started it has raised more than $60million in support of CMRI
All money raised by Jeans for Genes goes directly to CMRI to make sure valuable research into conditions like epilepsy, cancer and birth defects can continue.

Brekky Club
Every morning from 8.40am-9am. Everyone welcome. We are in need of donations of margarine, milo, vegemite, jam. This would be greatly appreciated.
Thank you to everyone who has donated this term.
