PRINCIPAL’S REPORT

Mr Dent is currently relieving as Director of Public Schools NSW Albury District and will be absent from our school. He will be returning at the beginning of Week four next term. I will be relieving Principal during this time and Mrs Conibear will be relieving Assistant Principal.

On behalf of all the staff I would like to thank Mrs Grogan for her dedication and efforts at our school while relieving as school librarian. Next term Mrs Cromarty will return to our school from leave.
Congratulations to all those wonderful students who achieved GREEN LEVEL this term. They enjoyed a walk to Frederick's Park yesterday and a play on the equipment as well as some games, as a reward.

Hayfever season is upon us now. If your child is asthmatic please ensure the school is aware by supplying us with their current asthma plan from the doctor and the appropriate puffers they may require for treatment. Keeping the school up to date with your child’s medical needs allows us to support your child adequately.

Term four is looking very busy at this stage. We will be sending a Term Overview home at the beginning of next term to allow you to mark those special dates in your diary. We are currently organising Interest Groups and would be keen to hear of any parents or school community members who have a particular skill of interest they would like to share with a small group of students. If you would like to be involved (Fridays 2.15 to 3.15 pm for five weeks) please approach Mr Hall who is coordinating this activity.

I wish everyone a happy and safe holiday.

Mrs O’Shea
Relieving Principal
