NAPLAN TESTING
National Assessment Program Literacy and Numeracy testing will take place on Tuesday 12th, Wednesday 13th and Thursday 14th May. Every year, all students in Years 3, 5, 7 and 9 are assessed on the same days using national tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy. The results help determine if students are reaching important educational outcomes.

ANNUAL SCHOOL REPORT AND SCHOOL PLAN
The 2014 Annual School Report and the 2015-2017 School Plan are now accessible via the Glenroy Public School Website.

ATHLETICS CARNIVAL
The Athletics Carnival will go ahead “Rain, Hail or Shine” next Monday 11th May. We have checked the weather forecast and it looks positive. This is the only day we can hold this event as the District Athletics Carnival is being held next Friday 15th May.

GUIDE DOG VISIT

All the Infants classes had a visit from Daniel and his Guide Dog Bear. They learnt when a Guide Dog has his harness on we are not allowed to pat him and he keeps his owner safe.

RID YOURSELF OF THOSE PLASTIC BAGS

If you are efficient and read this newsletter on Thursday then I would love, love, love it if you could send your child in with some plastic bags for our Mother’s Day stall. It is always handy to give each child a bag to carry their mountains of presents home in.

YOUR LAST MINUTE REMINDER

The Mother’s Day stall is happening TOMORROW Friday 8th May. We have a great range of gifts priced from 50 cents to $5. Don’t forget to send your child in with some money so that the special women in their life can be treated to a gift on Mother’s Day.

SUDDENLY FIND YOURSELF WITH TIME ON YOUR HANDS?

Of course anyone and everyone is welcome to help us at the stall. We will be in the hall from around 8.30am with the streams of students starting their retail therapy from around 9.20am. Even if you only have half an hour it all makes the stall run smoother.

PARENTING PROGRAM TERM 2: Vacancies still available

Bringing Up Great Kids - is a six week parenting program that supports parents with children aged 2-12 years old. The program will look at yourself as a parent, Parenting Styles, Helping children manage strong feelings, Learning about your child’s needs, Creating positive relationships, Coping with the ups and downs of parenting.

Fridays - 15th May until 26th June 2015 – 10.00am to 12.00pm.

Tuning into Kids – is a five week parenting program that supports parents to become more aware of their child’s emotions and its impact. Parents learn how to develop an ability to label and understand their child’s emotions and how to support their child in learning to regulate these emotions. Parents are therefore able to use their children’s emotional experiences as an opportunity for connecting, teaching and problem solving.
