National Walk Safely to School Day

Thank you to all the students and parents who participated in Walk to School Day on Friday May 22nd. It was wonderful to see about 35 students getting involved in this great event.

SCHOOL CROSS COUNTRY
A big thank you to all the helpers and spectators at this year’s school cross country on Friday. Norris Park was used for the first time as the venue and proved to be quite satisfactory. Ribbons and permission notes were given to those in the top seven to compete in the District Cross Country on Friday.
Well done to all competitors.

DISTRICT CROSS COUNTRY
We will be leaving the school at 11:30am and returning at about 3:00pm. The cross country is at the Equestrian Centre in Thurgoona. Miss Milham and Mr Arnott will accompany the students. Good luck to all our runners.

PAUL KELLY CUP
It was my pleasure to accompany our boys and girls teams to this AFL round robin tournament. The students had a great day and were very competitive.

TRIALS
AFL - Well done to Ben, who is back from Sydney after competing at the State AFL trials. Although Ben didn’t make the State side, he performed really well.

TOUCH - Ben and Kyle represent Albury in Touch on Thursday. Good luck boys.

PSSA
Codes of Conduct and permission notes to compete in Friday competition were distributed this week. Competition begins on Friday June 5th.

INDIGENOUS MORNING TEA
Last Thursday we hosted a morning tea for all our Aboriginal students and their families. Mrs Nancy Rooke, our respected local Elder and friend of Glenroy Public School, attended. She was surprised at how much some students have grown over the past year. Mr David Noonan, Karen from AWAHS, Dr Bob Perry from Charles Sturt University and Leonie Macintosh, ex-parent and also from CSU, were able to attend.
The students enjoyed meeting our supporting community members and sampling many delicious treats from the table.
A great morning.

**CONNECT WITH YOUR INNER LIBRARIAN**

After our rather inspirational talk with Paula Innes last week on the rather amazing Early Action for Success (EafS) program we also got to admire the absolute mountain of new school readers that have been purchased for the students in K – 2 (by my estimation there are around 500 readers to be covered). If you have some time, love covering books with contact or maybe have always had a secret dream of being a librarian then let our fabulous office staff know. You will be supplied with a little stack of books, some contact and away you go.

All help very much appreciated. It’s these little jobs that we can do as a school community that free the school staff up to do that other thing – teach in the classroom.

**CANTEEN NEWS**

**WARM UP MEAL DEALS – FRIDAY 5th JUNE** - please return orders by Friday 29th May for ordering purposes.

**REMINDER** - only meal deals will be served on this day.

Thank you, Deborah Beacroft

**THANKS TO OUR CANTEEN VOLUNTEERS**

Each week our canteen opens up with the help of our volunteers. Without their help our little enterprise would struggle to sell fabulous food to all of those smiling faces. So thank you to the lovely ladies Krystyna and Alicia.

And if you have some time and think that helping out in the canteen is something you would enjoy then just pop in and have a chat with our Canteen Manager Deb. No experience necessary. Just be prepared for questions from the students like “How much can I buy for ten cents?”

**DID YOU KNOW**

Over the years the P&C have done our best to support our students as they compete and participate in competitions in their chosen field. Our priority is always students that compete on regional level such as the Riverina Rep Teams. If funds allow we have donated a moderate amount of funds to help with the costs of travel and accommodation. If your child is taking part in a regional program in any activity – dance, music, sporting – please let us know. We can’t promise anything but we will do our best. And if you give us enough warning we are always happy to help with some fundraising.

**NAIDOC DAY**

This year we have brought forward our NAIDOC Day celebrations to Wednesday 10th June. There will be a sausage sizzle at 11.15am generously provided by Mr David Noonan and AWAHS. Students will be rotating around various Indigenous music workshops run by the Murray Conservatorium through-out the day. They will perform their newly acquired skills in the Multi-purpose hall at 2.30pm. Please come and see the performance, if you are free.

Students are encouraged to wear red, yellow and black for the special day.

GRIP Leadership Conference

On Wednesday 27th May, 2015, 22 students from Years 5 and 6 attended the GRIP Leadership Conference at the Commercial Club in Albury. Present at the event were students from all over the Riverina and Northern Victoria.

It was a very exciting day. We took part in a variety of activities to enable us as leaders at Glenroy Public School. The main themes we took away from the conference was that you do not need a badge on your school shirt to be a leader and a great leader always puts the needs of others ahead of themselves.

With those two themes in mind, we look forward to serving our school, the students and the surrounding community in the coming months and years.

The Aunty Peach Show

Aunty Peach came to visit our school on Tuesday, 26th May. She was a vibrant and colourful actor who linked her production to Roald Dahls books. The students enjoyed the interaction, rhyming and magic tricks.
