STAFF DEVELOPMENT DAY
All Glenroy Staff members will be joining 550 Albury and district teachers for the Term Three Staff Development Day on Monday July 13th. We are having three keynote speakers: Dr Shaun Hawthorn, Stella Axarlis and Amanda Gore.
Students will return to school for term three on Tuesday 14/7/2015.

CARPARK
Please be aware that the staff car park is not a drop off point for children. As cars are going to and from the car park all day it is for safety purposes that we ask you not to enter the car park and use the front or back gate to enter the school.
I understand that wet weather complicates matters but student safety is our priority. The back gate is opened each morning and afternoon and is a very quiet and safe spot to drop-off and collect students-no parking difficulties at all!
LEADERSHIP CAMP
Congratulations to our school leaders who participated in an intense three day Leadership Camp at Borambola from Sunday to Tuesday of this week. Mr Hall has been working diligently with our SRC to develop some long-range plans to encourage leadership in our school. The Leadership Camp reinforced and complemented the work Mr Hall has been doing with our students. Thanks to Narelle Vogel, Rowan Hall and Janet Conibear for providing transport.

PAINTING
Over the holidays we will be having some painting completed in the administration block and the canteen area.

PLAYGROUND EQUIPMENT
For the Future ....Next year we will be planning to re-do under our fixed playground equipment with rubber softfall.

Kindergarten Excursion to ‘Stripey’
The end of the term is fast approaching! Any Kindergarten students who do not hand in their permission notes and money by the end of term will not be able to attend the excursion to watch ‘Stripey’ at the Albury Entertainment Centre. The production of ‘Stripey’ is a fantastic opportunity and we would hate to see any of the beautiful Kindergarten students miss out on this fun day.

Thank you
Miss Linke & Mrs Conibear

LAPATHON
Everybody loves a ‘Lapathon’ and next term there will be one coming to Glenroy Public School! The Lapathon will take place on Tuesday the 28th of July during Education Week! All students and parents are able to participate and everybody is more than welcome to come and cheer the students on as they lap around the oval. More information about the Lapathon will be sent out today. So all students should start looking for sponsors! All money raised will be going towards FoodShare. Foodshare is a fantastic organisation that currently donates the milk, bread and fruit for the GPS Breakfast Club each week.

Thank you

SRC LEADERSHIP CAMP BORAMBOLA

On Sunday 14th of June, the SRC went on an exciting camp to Borambola. We participated in leadership activities and created an action plan to create ways to benefit our school.

We did lots of fun activities like rock climbing and problem solving games so we could get to know other school leaders and experience teamwork. The food was great and we had plenty of free time to explore the camp.

Before leaving we had presented our school action plan to the other schools and their principals. At Glenroy PS starting next week, we will be changing our leadership group. The SRC will be increasing our school leadership group by 400% which will give us 48 new leaders from Years 3 – 6. That means so many more of us will get to experience leadership opportunities for longer at Glenroy. Each SRC member will be choosing 4 team members to assist with the organisation and running of various events at the school. Our first will be the Lapathon in Term 3. So if you would like to join the leadership group and find out what it is like to help others, be sure to let us know. Together, we can start something great!

THANKS FOR ANOTHER GREAT TERM
Hands up the people that think a teacher knocks off at 3.30? Hopefully you kept that arm at your side as we all know about and see the great work our very dedicated staff do before and after official school hours. Without this time and effort a lot of our programs just wouldn’t be as great as they are. I thought this week it was time to say THANKS and put some words around acknowledging that the staff at Glenroy Public School go above and beyond to help our children, their students, flourish. So THANKS to you all on behalf of the families and students.

CLUCK CLUCK
It’s gluggy, it’s mushy, it’s cold, it’s wet. The chook yard isn’t much fun at the moment. Never is in Winter. Our fowl family aren’t getting as much love from the students at the moment. Perhaps we are just waiting for the next phase of fowl fanatics to arise? So if your children have been muttering about wanting to help out with the chookies, then tell them to get involved. The more the merrier.
